

We go beyond the question of
"which career has scope"

Meet your Counselor

Sabitha M is a psychologist, educator, and certified career counsellor with over a decade of experience guiding adolescents and young adults. She has conducted **3,000+ counselling sessions** and workshops across India and the GCC, helping students gain clarity and confidence in their career paths.

Her strength lies in **building trust with students and parents**. Young people feel heard and understood because of her patient approach, while parents value how she bridges communication gaps during stressful decisions.

Holding an **MSc in Psychology and a Diploma in Career Guidance & Counselling**, Sabitha believes counselling is about mentoring students to own their choices.

Sabi's Career Ignite is a career counselling service based in Kozhikode, Kerala, dedicated to helping students and parents make confident choices at one of life's most important crossroads.

Career Counselling for you

“ I'm so glad to have attended the counselling session and thank you so much for the clarity that you've given me for my decisions. I found it really helpful because I initially had not the slightest idea on what to take up and your session has really thrown light on my strengths. So thank you very much again for your insight and it has genuinely helped me a lot! ”
